

**INGREDIENTS**—As used at St. George's Hotel, Hyde Park corner,  
JOHNS and CO., having selected some important improvements  
in the manufacture of this very useful material, confidently offer  
to the notice of the Trade and the Public generally, as superior  
to all other Portland Cement, **HARDY'S PATENT PORTLAND CEMENT,**  
**STUCCO or BRICK WORK.** It is a **White Cement**, but mat-  
terial to any other—**DUES NOT WASH OFF**—is perfectly dry  
twenty-four hours after being a day in water, so that it can be  
adapted for all kinds of Brick Work, Plastering, etc. Berne-  
seuse, Philadel. etc. (new cert.) will cover 80 square yards. If  
kept good for years, and MAY BE EXPORTED WITH FULL  
WARRANTY.

**JOHNS and CO.'S STUCCO CEMENT**—This cement is  
the greatest reduction in price, and its suitability for exterior  
work has external surfaces, places it above all other materials of  
this kind, and is well adapted for all purposes.  
In a few days; never suffers cracks, or vegetable; does not  
hard as stone; and may be cleaned with a brush and water.  
The merits of this are very evident from the fact that it  
has been used for all kinds of exterior work.  
Numerous testimonials, prospectuses, and every information  
may be obtained, on application to the Nobe Agent, **PHILIP HARRIS**  
at 10, Abchurch Lane, London, E.C. 4, or Thomas Green & Co., Ltd.,
